## **PCT Names Mettler-Toledo Exclusive Distributor**

**St. Louis, MO USA – 18 May 2009** – Pharmaceutical Containment Technologies (PCT), a global leader in potent compound containment systems and related services recently named Mettler-Toledo as the exclusive distributor for the company's range of balance enclosures in the U.S. market.

Mettler-Toledo, Inc. is the market leader in pharmaceutical weighing equipment and services. PCT manufactures containment solutions for the pharmaceutical R&D and production environment. Mettler-Toledo will distribute the 3', 4' and 5' balance enclosures offered by PCT through their corporate customer service and technical support center in Columbus, Ohio.

The partnership will add value for the Mettler-Toledo team and our customers by affording a one stop solution for the laboratory market standard containment needs. "This alliance is consistent with our mission to supply the highest quality containment products and the best customer service available in our market," said Joe Guehring, Managing Member of PCT, LLC.

Information on the enclosures can be found by visiting [www.pctamericas.com](http://www.pctamericas.com)
